

Exhibitors' Forum

EXHIBITORS' FORUM is a venue for presentations in the exhibitions' Pavilion.

Who may register and how?

◆ Only those who exhibit at INDUSTRY DAYS may do so by completing and submitting the attached Registration Form.

Why is it worth participating?

- The EXHIBITORS' FORUM is *an effective, new way* for exhibitors and visitors to connect.
- It ensures *direct communication*.
- Participants receive *special publicity*.
- Based on the registration forms submitted and having consulted with experts, we will set up a proper schedule which will be publicized to a wide audience through *various media*.

How will visitors learn about the FORUM?

- We will announce it in personalized visitor information packets distributed in 20.000 copies to visitors who have registered in the past years.
- It will be included in the trade fair's website and on the information boards in the Entrance Halls (East side/ West side).
- Visitors will receive ongoing information on the FORUM over the public address system.
- We will publish the programme of FORUM in trade magazines „GyártásTrend“, „ElektroNet“ and „MM Műszaki Magazin“
- The media will be informed with the press material.
