General Business Terms and Conditions

Signing the Application Form signifies accepting the General Business Terms and Conditions

1. Conclusion of contract

1.1. Contracting parties

For the purposes of these General Terms and Conditions, Hungexpo Vásár és Reklám Zrt. shall be considered as contracting parties. (registered office: 10 Albertirsai út, Budapest H-1101, company registration No.: Cg.:01-10-041503, hereinafter referred to as “**HUNGEXPO**”) and the partner (hereinafter “**Partner**”) who completes and properly signs the relevant application form (hereinafter “**Application Form**”) for the exhibition organised by Hungexpo on the territory of Hungexpo (hereinafter “**Exhibition**”).

1.2 Invitation to tender

For the purposes of concluding this contract (hereinafter: “**Contract**”) the act of sending or downloading the following documents from the website www.hungexpo.hu shall be considered as a tender invitation by HUNGEXPO: Application Form, General Terms and Conditions of Business – hereinafter General Conditions.

1.3. Conclusion of contract

This Contract is considered concluded between the Parties by return of a copy of the Application Form properly signed by the Contracting Parties to HUNGEXPO (hereinafter: “**Contract Conclusion**”). Simultaneously, the Contracting Party declares that it has been familiarised with and accepted these Business Terms, which constitute an inseparable part of this Contract.

1.4. Registrarion Fee

Following receipt of the Application Form, HUNGEXPO shall send an invoice of the registration fee (hereinafter: “**Registration Fee**”) to the Contracting Party. Subsequently, the Contracting Party shall pay the Registration Fee to HUNGEXPO's account. If the Registrarion Fee is not credited to HUNGEXPO's account by the deadline specified in the relevant invoice, HUNGEXPO shall be entitled to waive the Contract by a unilateral written statement addressed to the Contracting Party.

1.5 Designation of the area

HUNGEXPO shall designate the Exhibition area (hereinafter “**Exhibition Area**”) for the Contracting Party after the complete amount of the Registration Fee has been credited to its account. HUNGEXPO may decide on the designation of the Exhibition Area and is not required to give reasons. The decision shall be sent to the Contracting Party in writing, together with a layout plan of the Exhibition Area.

1.6 General Terms and Conditions of Operation

The Contracting Party shall familiarise himself with Hungexpo's effective General Terms and Conditions of Operation (hereinafter “**Operating Conditions**”) constituting part of this Contract. The Operating Conditions can be downloaded from Hungexpo's website at www.hungexpo.hu, or sent to the Contracting Party by Hungexpo by mail upon request.

2. CONTRACTING PARTIES

2.1 Contracting Party

A Contracting Party is a natural or legal person or an unincorporated body who completes and properly signs an Application Form. Only a Contracting Party may be addressee and obligor of the invoices issued by Hungexpo (e.g. of stallage and services). In the Application Form the Contracting Party shall specify the category in which it falls.

2.1.1 Exhibitor

The Exhibitor shall be present at the Exhibition on its own territory or part (hereinafter “**Exhibition Area**”) or may organise participation for others (hereinafter “**Co-exhibitors**”) who have parts within the Exhibition Area required by the Exhibitor. The data of Co-exhibitors must be indicated in the Application Form (under the heading “Co-exhibitors”).

2.1.2 Organiser of a collective exhibition

The Organiser organises national/provincial or federal/chamber participation, although he himself does not necessarily appear at the Exhibition with his own Exhibition Area. The data of exhibitors organised by him must be indicated in the Application Form (under the heading “Co-exhibitors”).

2.1.3 Paying Organiser

The Paying Organiser does not have its own Exhibition Area but organises participation in the Exhibition for another Exhibitor or Exhibitors, and concludes contracts with the organiser of the Exhibition. The Paying Organiser specifies his data in the field entitled “Contracting Party”, and the parties organise by him under the heading “Co-exhibitors” in the Application Form.

2.2 Co-exhibitor

The Co-exhibitor has no Exhibition Area or Part of its own at the Exhibition, or any contractual relation with HUNGEXPO. The Contracting Party shall specify the data of Co-exhibitors in the field entitled “Co-exhibitors” in the Application Form. The Contracting Party shall be fully responsible for the Co-exhibitor's observance of the code of conduct applicable to the Contracting Party. The Contracting Party shall pay Hungexpo the fees charged for the Co-exhibitor (e.g. stallage and service charges etc.). The Co-exhibitor may not be the addressee of any invoice.

2.3 Represented company

A represented company is a body corporate or incorporate not participating in the Exhibition on an Exhibition Area of its own but represented by the Exhibitor or Co-exhibitor in business deals.

3. Occupation and alteration of the Exhibition Area

3.1 Occupation

The Exhibition Area can only be occupied and building started upon payment of advance on the Stallage and Service Fee.

3.2 Alteration

The Exhibition Area designated by HUNGEXPO cannot be arbitrarily exchanged with another exhibitor, extended by agreement with another exhibitor, transferred or sublet, and can be altered in any way only and exclusively with the written preliminary consent of HUNGEXPO.

4. Products , product groups and services

The Contracting Party shall only be entitled to display the products, product groups and services indicated in the Application Form and approved by HUNGEXPO, and advertise its Co-exhibitor and Represented Company indicated in the Application Form.

If at the first call the exhibitor fails to remove the goods that do not fit the advertised product group or a promotional tool representing a party other than the Contracting Party, its Co-exhibitor, Represented Company from the Exhibition Area, HUNGEXPO shall be entitled to have the said Exhibition Area locked at the Contracting Party's cost and risk, and claim indemnification from the latter.

5. Exhibition Catalogue

5.1 Official Catalogue

Only HUNGEXPO is entitled to publish an official catalogue of the Exhibition (hereinafter “**Catalogue**”). The official catalogue of the Exhibition shall by all means display the logo of HUNGEXPO and/or the Exhibition. All Contracting Parties who had applied for participation by the deadline shall be included in the catalogue.

5.2 Default Inclusion

The Toll includes the fee charged for the Contracting Party's inclusion in the catalogue of the Exhibition. For any and all requirements in excess of the default inclusion, HUNGEXPO will charge an inclusion fee. Instead of the Paying Organiser the exhibitor represented by him shall be entitled to be included in the catalogue.

5.3 Cancellation free of charge

The services ordered in the catalogue may be cancelled free of charge up to the stop-press of the catalogue manuscript. HUNGEXPO cannot take subsequent cancellations into consideration, and the ordered services shall be invoiced.

6. Payment terms and occupation

6.1 Payment obligations of the Contracting Party

Upon application to participate in the Exhibition, the Contracting Party shall pay registration fee (hereinafter “**Registrarion Fee**”), a toll for the Exhibition Area used (hereinafter “**Toll**”) and service charge for the services used (hereinafter “**Service Charge**”).

6.2 Amount of the Registrarion Fee

The Exhibitor (cf. Section 2.1.1), the Paying Organiser (cf. Section 2.1.3) and the Collective Exhibitor (cf. section 2.1.2) shall pay 100%, while for each participant organised by him, the manager of a Collective Exhibition (cf. section 2.1.2) and a Co-exhibitor (cf. Section 2.2) shall pay 50% of the Registration Fee.

6.3 The extent of provisions:

The amount of the Toll shall be determined on the basis of the floor area and type of the Exhibition Area.

6.4 Payment terms

The fees charges as per Section 6.1 above shall be payable according to the payment terms set out in the relevant invoice (advance notice). Up to the close of the Exhibition, the Contracting Party shall fully pay all invoices issued on its name to that date.

6.5 Mortgage right

If the Contracting Party fails to perform its liabilities set out in Section 6.4, HUNGEXPO may apply the legal consequences set forth in Section 1.4.6 of the Operating Conditions (mortgage right).

6.6 Late payment

If any payment due on account of this agreement is late, HUNGEXPO shall be entitled to charge late payment penalty amounting to 20% p.a.. The Contracting Party shall provide evidence of payment to the Registration Office of the Exhibition (Buidlign K) before the Exhibition closes.

6.7 Bank costs

Any and all costs charged by financial institutions in the course of banking operations shall be payable by the Contracting Party and HUNGEXPO shall not be entitled to cut this claim.

6.8 VAT

All services provided by HUNGEXPO shall be considered as complex services and as such shall be subject to the payment of 20% value added tax.

7. Insurance

7.1 Liability insurance

For the period of its activity performed on the territory of HUNGEXPO, the Contracting Party shall have an insurance policy valid for accidental and unexpected damages caused by its exhibitors or itself in its capacity as builder (decorator, disassembler etc.) as well as its subcontractors.

7.2 Liability Insurance Premium

The premium payable for the compulsory liability insurance shall be 1% of the effective Toll. In connection with this the Contracting Party shall be liable to pay the toll invoice.

The premium payable for the compulsory Exhibition liability insurance shall be invoiced by HUNGEXPO in the toll invoice on commission from and to the benefit of the insurer.

7.3 Collateral

In consideration of the paid insurance premium, the Insurer shall pay - instead of the Exhibitor and/or the builder (decorator, disassembler etc.), except for the down payment - indemnification for any and all accidental and unexpected damages for which the defaulting exhibitor and/or its builders (decorators, disassemblers etc.) are responsible under the regulations of the Hungarian Civil Code.

7.4 Other insurance

In addition to the liability insurance, the Exhibitors have the option to take out an insurance policy to cover the items they exhibit, their installations and other objects found on the territory of HUNGEXPO. The Exhibitor shall be liable for any and all damages arising from the lack or late conclusion of the insurance contract. The Exhibitor shall be jointly and severally liable to indemnify HUNGEXPO or any third party for any and all damages caused by its subcontractor.

8. The provision of music

8.1 Requesting music services

The Contracting Party shall report its demand for music to the director of the Exhibition for approval no later than on the 30th day prior to the opening of the Exhibition. In attachment to this report, consent of the lessees of the neighbouring e Exhibition Areas shall also be attached. The Exhibitor is only allowed to turn its amplifier towards the internal centre of the Exhibition Area and the sound pressure may not exceed 80 dBA.

8.2 Prohibition

If the Contracting Party exceeds the volume set out in Section 8.1 above and despite joint call from the Exhibition and coordinator staff member and the director of the Exhibition fails to stop its musical activity exceeding the above-set value, or breaches the provisions of Section 1.4.6 of the Operating Conditions, HUNGEXPO shall be entitled to terminate poer supply to the stand of the Contracting Party and shall not be liable to pay indemnification for this act.

9. Cancellation and legal consequences

9.1 Cancellation of participation

Subsequently to Contract Conclusion, the Contracting Party may validly and finally cancel its participation in the Exhibition only in writing, sent in a way that can be proved to HUNGEXPO (hereinafter “**Cancellation**”). Cancellation shall be valid and effective from the date HUNGEXPO receives the statement of cancellation. If the Contracting Party or the exhibitor organised by him fails to occupy the Exhibition Area 24 hours prior to the opening of the Exhibition, and does not report his late arrival in writing confirmed by HUNGEXPO (hereinafter “**Absence**”), this case shall also be considered as cancellation. In the case of Cancellation, HUNGEXPO shall be entitled to let the Exhibition Area marked out for the Contracting Party to another person. In the case of Cancellation, the Contracting Party shall pay penalty as set out below.

9.2 Non-Performance Penalty

In the case of Cancellation, HUNGEXPO shall consider the Registrarion Fee as non-performance penalty and shall not repay it. The services covered by the Registration Fee can no longer be used, however.

If participation by the Contracting Party is cancelled after Contract Conclusion but before the 61st day prior to the opening of the Exhibition, it shall pay 50% of the Toll. Cancellation between the 60th and 31st day prior to opening shall entail 80% of the Toll, and Cancellation after the 30th day prior to opening shall be subject to the payment of 100% of the Toll as non-performance penalty to HUNGEXPO.

9.3 Cancellation of the Area

If the Contracting Party calls off 20% or more of the are it had previously ordered up to the 45th day prior to the opening of the Exhibition, it shall pay area cancellation penalty. This penalty shall be proportionate to the size of the area called off as follows: For an area called off between the 45th and 31st day prior to opening, 80% of the Toll, and cancellation reported after the 30th day shall be subject to the payment of 100% of the Toll.

9.4 Service Charges

In the case of Absence as per Section 9.1. above, the Contracting Party shall pay the Service charges due on all the services ordered from and performed by HUNGEXPO in addition to the payment liabilities set out in Sections 9.2 and 9.3 above.

10. Complaints

In the interest of providing proof, any and all complaints by the Contracting Party in relation to the organisation, implementation and operation etc. of the Exhibition shall be reported in writing before the Exhibition is closed, and all remarks on invoicing shall be reported in writing to HUNGEXPO up to the payment deadline indicated in the invoice. HUNGEXPO cannot take complaints received after the above deadlines into consideration.

11. Force majeure

HUNGEXPO shall be entitled to cancel part or whole of the Exhibition or change the date of its organisation, its opening hours and location if an act of God takes place. Force majeure events shall include any and all unpredictable and unavoidable events which prevent or make the Exhibition impossible for reasons beyond the control of HUNGEXPO and otherwise irrespective of HUNGEXPO's actions (e.g. war, riot, civil disturbance, general strike, epidemic, natural disaster, fire, flood, earthquake or other inevitable external reasons, emergencies etc.) HUNGEXPO shall advise the Contracting Parties of any force majeure event. If the Exhibition does not take place for reasons of a force majeure event, HUNGEXPO shall not be liable to pay indemnification.

12. Governing law and the settlement of disputes

In issues not specifically regulated in this agreement, the relevant regulations of Hungarian law shall prevail.

Parties shall make efforts to the amicable settlement of any eventual disputes. Should this effort fail, the Parties submit to the exclusive jurisdiction of the Central Court of the Pest Districts or if a higher values is contested, the Court of Justice of Budapest to settle their dispute.

13. Severance

The Operating Conditions, the Application Form and any and all eventual written statements made between the Parties shall constitute inseparable parts to this agreement.

INFORMATION ON THE UPCOMING CATALOGUE

HUNGEXPO C.CO. LTD. WILL PUBLISH A CATALOGUE IN HUNGARIAN AND ENGLISH, IN WHICH IS TO INCLUDE ALL CONTRACTING PARTIES.

I. SERVICES

1. Standard entry:

The standard entry is free of charge for CONTRACTING PARTIES, whereas there is a charge for collective exhibitors, co-exhibitors and represented firms. The standard entry contains the following:

- The alphabetical list of exhibitors, which includes the following information: company name, postal address, phone and fax numbers as well as e-mail and internet addresses; a list of the names and country codes of represented firms provided on the catalogue entry form (but no additional information); a description of the activities the company undertakes, which is free of charge up to 55 characters in respect of the Hungarian-language version as in the English translation; and the exhibition stand number and product group code.
- A list of the names of represented firms on the represented firms list along with the representing company and stand number.
- The name and stand number of the company placed under one heading on the product group list.

2. Optional services at an additional charge:

- An exhibitor entry placed under more than one letter on the alphabetical list of exhibitors.
- A black-and-white company logo included on the alphabetical list of exhibitors.
- Additional information included beyond the standard data (e.g. a more detailed description of the activities the company undertakes, etc.) We will charge a separate rate per character in respect of the Hungarian text if it exceeds the standard entry length (55 characters). (This will include translation into English.)
- A company listed under more than one heading on the product group list based on its objects or activities.

Collective exhibitors, co-exhibitors and represented firms may also be included with a full entry on the list of exhibitors or on the product group list in the catalogue. The contracting party will be invoiced for the cost of separate entries for collective exhibitors, co-exhibitors and represented firms.

II. DEADLINES

1. Please return the catalogue entry form to the organisers by the deadline indicated. If the catalogue entry form is not returned by the deadline, a standard entry will be made for the contracting party based on the information provided on the application form. Information from catalogue entry forms returned after the deadline will be entered in the addenda, which will go to press appr. one month prior to the opening of the exhibition.

2. We cannot accept cancellations of previously ordered catalogue services after the closing date for the copy-editing phase. We will invoice you for orders cancelled after that date.

III. ADDITIONAL INFORMATION

Please complete the form legibly with block letters. We cannot accept changes after the form has been returned. The company is liable for the authenticity and accuracy of the information provided on the catalogue entry form. Due to the pace of the production process, we cannot supply you with proofs of your entries.

The publisher reserves the right to revise entries ordered by the company and to change the headings for the Thematical Arrangement. All entries will be published in accordance with standard rules of spelling and punctuation. Abbreviations may not be used. The publisher will not acknowledge claims for damages arising from omitted entries, uneven quality or printing errors. We will issue one free copy of the catalogue to each contracting party, which may be obtained during the exhibition at the exhibitors registration area in the assembly hall of Building K at the HUNGEXPO Budapest Fair Center. We do not undertake to post copies that have not been collected.

LIST OF PRODUCTS

1. Machine-tools

- 1.1. Metal cutting machine-tools
- 1.2. Presses, plate processing machines
- 1.3. Electric spark-machines
- 1.4. Laser processing machines
- 1.5. Gear cutting machines

2. Components of machine-tools

- 2.1. Elements of machines
- 2.2. Fixtures for machining
- 2.3. Measuring-, sensitive and activate elements
- 2.4. Control units and elements
- 2.5. Components of automation
- 2.6. Chip breaking, handling of chip, devices and techniques of cooling-lubricating

3. Robots and manipulators

4. Equipment of heat treatment and coating-machines, surface technologies

5. Equipment of assembly

- 5.1. Hand-tools
- 5.2. Little-machines
- 5.3. Assembly-machines
- 5.4. Assembly-systems

6. Handling methods and devices

7. WELD-TECH Materials, equipment and devices of metal and plastic welding and cutting

- 7.1. Welding-, and piece-cutter machines
- 7.2. Welding-electrodes and auxiliary materials
- 7.3. Gases for welding
- 7.4. Protection-devices

8. Methods and devices of maintenance and diagnostic

- 8.1. Lubricant- and sealing materials
- 8.2. Methods and devices of diagnostic
- 8.3. Repairing technologies
- 8.4. Maintenance controlling and devices

9. Methods, equipment and devices of industrial material

10. Tools

- 10.1. Cutting tools
- 10.2. Blanking- and forming tools
- 10.3. Plate processing tools
- 10.4. Tools for plastic-manufacturing
- 10.5. Tools for rubber-manufacturing
- 10.6. Components of tool-constructions
- 10.7. Tool sharpening and Tool Management

11. Quality-assurance, measuring- and control technology

- 11.1. System of quality-assurance, consulting-, and educational activities
- 11.2. Instruments, control-, and supervising activities

12. Software for engineering industry

- 12.1. CAD-CAM software and applications
- 12.2. Integrated production controll systems, logistic systems and maintenance systems
- 12.3. Establishment planning systems

13. Industrial professional training, postgraduate education, qualifying, certifying

14. Professional organisations

15. Research and development, innovation, EU relations

16. Publishers, professional magazines

17. SUBCON+ Subcontracting industry, metalworking and geotechnology

- 17.1. Fasteners
- 17.2. Bearings
- 17.3. Drive units
- 17.4. Production of machine elements, parts and units
- 17.5. Production technics, technology
- 17.6. Forging, die-casting, rolling
- 17.7. Iron and steel products
- 17.8. Light and non-ferrous metal products
- 17.9. Castings
- 17.10. Installation and technology of casting and metallurgy
- 17.11. Raw and auxiliary materials for metallurgy and the foundry industry
- 17.12. Other products and activities connected with metallurgy and casting
- 17.13. Production of plastic parts
- 17.14. Production, distribution of technical rubber products
- 17.15. Glass working and manufacture of ceramic parts
- 17.16. Industrial services
- 17.17. Industrial cleaning technology
- 17.18. Geotechnology
- 17.19. Environmental technology

18. FLUIDTECH Fluid technology

18.1. Pneumatic

- 18.1.1. Pneumatic actuators
- 18.1.2. Air operated valves
- 18.1.3. Sensors, signal devices
- 18.1.4. Air service equipment
- 18.1.5. Vacuum equipment
- 18.1.6. Pneumatic automation
- 18.1.7. Pipes and pipe-junctions
- 18.1.8. Accessories

18.2. Hydraulics

- 18.2.1. Energy converters
- 18.2.2. Valves
- 18.2.3. Power units, systems
- 18.2.4. Electrical controls and indicator units
- 18.2.5. Pipe-lines, hollow screws, fittings
- 18.2.6. Filtration
- 18.2.7. Accessories

18.3. Valves, pipe fittings

- 18.3.1. Valves, pipe fittings
- 18.3.2. Actuators
- 18.3.3. Sanitary valves

18.4. Pumps

18.5. Compressors

18.6. Gaskets

19. Financial services - leasing, financing

NOVELTY DATA SHEET

PRESENTATION OF YOUR NOVELTIES ON MACH-TECH 2009 EXHIBITION

Hereby we would like to provide an opportunity for exhibitors to propagate their products, services – essentially **novelties** – which are intended to be exhibited at MACH-TECH 2009.

If you send this Novelty Data Sheet, we can publicize it in different ways:

- in the Press Documentation for the Press Conference,
- on the website of the event.

We do hope that you will be satisfied with this idea and you will use this possibility to ensure greater publicity to your products and services through these PR activities.
